

Anatomy licences

updated 02 March 2010

This document provides an overview of licences issued to establishments which applied for an anatomy licence.

A licence can fall into one of three categories depending on its current status: “Licensed establishments”, “Licence offer issued” or “Licence application in progress”.

- “Licensed establishments” denotes those establishments that are deemed licensed by the HTA.
- “Licence offer issued” indicates that an offer to the establishment for a final licence has been made.
- “Licence application in progress” means that the establishment has submitted a licence application. The establishment’s compliance is currently being evaluated and a final decision about the licence will be made.

Details about a licence include the *establishment*, the *address* where the licensed activities are to take place, the Designated Individual (*DI*) and the *Licence Holder* (either corporate or personal). The field “establishment” in some instances does not contain details about the department in which the activities are to take place, which may be only a part of the establishment denoted in the field.

Information is also provided about which activities the particular licence includes:

- *Examination:* The carrying out of an anatomical examination
- *Removal:* The removal from the body of a deceased person (otherwise than in the course of carrying out an anatomical examination or making a post mortem) of relevant material of which the body consists or which it contains, for use for a Scheduled Purpose other than transplantation
- *Storage AS:* The storage of an anatomical specimen
- *Storage:* The storage of the body of a deceased person, or relevant material which has come from a human body, for use for a Scheduled Purpose

A “Yes” in the corresponding column indicates that the establishment is allowed to undertake the specified activity

Licensed establishments

(34 licences)

Establishment	Address	DI	Licence Holder	Examination	Removal	Storage AS	Storage
AECC	13-15 Parkwood Road, Bournemouth, BH5 2DF	Associate Professor Patricia Collins	Anglo-European College of Chiropractic (AECC)	Yes	No	Yes	Yes
Anatomy and Clinical Skills	Faculty of Medical Sciences, Newcastle University, Framlington Place, Newcastle upon Tyne, NE2 4HH	Dr Roger Searle	University of Newcastle upon Tyne	Yes	No	Yes	Yes
Bangor University	College Road, Bangor, LL57 2DG	Dr John Michael Delieu	Bangor University	Yes	Yes	Yes	Yes
Barts and The London, Queen Mary's School of Medicine	Centre for Medical Education, Institute of Health Sciences Education, Turnbull Centre, Francis Bancroft Building, Queen Mary University of London, Mile End, London, E1 4NS	Professor Margaret Bird	Queen Mary & Westfield College	Yes	No	Yes	Yes
Brighton and Sussex Medical School (BSMS)	Department of Anatomy, Medical School Teaching Building, University of Sussex Campus, Falmer, Brighton, BN1 9PX	Professor Darrell John Rhys Evans	University of Sussex	Yes	Yes	Yes	Yes
Cardiff University	Cardiff School of Biosciences, Museum Avenue, Cardiff, CF10 3US	Professor Bernard Moxham	Cardiff University	Yes	Yes	Yes	Yes
Department of Anatomy	Robert Jones and Agnes Hunt Orthopaedic and District Hospital, Twmpath Lane, Oswestry, SY10 7AG	Mr David Jaffray	Robert Jones and Agnes Hunt Orthopaedic and District Hospital NHS Trust	Yes	Yes	Yes	Yes
Department of Anatomy & Developmental Biology	University College London, Dissecting Room, Rockefeller Building, University Street, London, WC1E 6DE	Professor Claudio Stern	University College London	Yes	Yes	Yes	Yes
Department of Human Anatomy and Cellular Biology	School of Biomedical Sciences, The Sherrington Buildings, Ashton Street, Liverpool, L69 3GE	Professor James Gallagher	The University of Liverpool	Yes	Yes	Yes	Yes

Licensed establishments
