Dear Sir/Madam,

I would like to file a Freedom of Information request.

I would like to know

1. How many employees or full time equivalents at the HTA are employed in Greater London?
2. How many employees or full time equivalents are employed in the South East and East of England regions?
3. How many employees or full time equivalents are employed in regions outside London, the South East and East of England regions, and where are these employees located?

Many thanks,

Response

As at 31 May 2018 the HTA had 44.5 full time equivalents employed in Greater London. At present, the HTA does not have any employees/full time equivalents employed outside of Greater London.
