Dear [REDACTED]

Freedom of Information request

Thank you for your request for information under the Freedom of Information Act (FOIA), which was received by the Human Tissue Authority (HTA) on 19 June 2019. Your email outlined the following request:

Please could you provide me the following information:

Does your organisation have plans to deploy new IT machines/equipment (desktops and laptops) over the next 12 months?

If yes;

What technologies are you planning on deploying i.e. Office 365, Windows 10?

To how many users?

What is your est. budget?

Name of the person in charge of the procurement of the solution/service?

Response

The HTA purchased new laptops in March 2018 with deployment taking place during the first half of the current business year.

The laptops are deployed with Windows 10 and Office 2016.

The laptops are deployed to all members of staff.

As the procurement has already taken place, budget is not applicable.

The person in charge of the procurement was the Head of Business Technology.
