Date: 23 September 2021

Dear [REDACTED]

**Freedom of Information request**

Thank you for your request for information under the Freedom of Information Act (FOIA), which was received by the Human Tissue Authority (HTA) on 24 August 2021. In your e-mail you outlined the following request:

*I would like to see a list of institutions that have been licensed to import and export cells and tissues. Can you please let me know whether such information is published on your website or it has to be requested?*

In a subsequent email dated 09 September 2021, you also sought information about when the licences were granted.

**Response**

A list of the establishments that are licensed to import and export cells and tissues can be found on our website at the following address  
<https://www.hta.gov.uk/professional/establishments>.

For convenience, a consolidated list of such establishments has been included as an appendix to this letter. The information includes the year when the establishment was granted a licence but does not specify when import or export activities were added to the licence.

**Further information**

If you are unhappy with the way the HTA has handled your request for information in this case, you may in the first instance ask us for an internal review by writing to us at the above postal or email address.

If you remain dissatisfied with the handling of your request, you have the right to appeal directly to the Information Commissioner for a decision, at the address below. There is no charge for making an appeal.

Information Commissioner's Office  
Wycliffe House
