Dear [REDACTED]

Freedom of Information request

Thank you for your request for information under the Freedom of Information Act (FOIA), which was received by the Human Tissue Authority (HTA) on 7 July 2016. Your email outlined the following request:

“Dear Human Tissue Authority,

This is a Freedom of Information request under the Freedom of Information Act 2000.

Please could you provide me with information about your ICT expenditure, as broken down in the attached template? I have included this template in order to make it easier for you to understand my requirements and provide answers.

I appreciate that you may publish contracts and transparency data, but I was unable to find the information to the level of detail I require in publish sources.

Within the response, please include:

** Expenditure from all parts of your organisation (central services and business units);*

** As well as your own organisation, expenditure for any subsidiary organisations that fall within the scope of your accounts; and*

** Both revenue (or operating) expenditure and capital expenditure*

If you could input the answers in this template and return to me by email as an attachment, this would be much appreciated.

If you have any questions regarding my request, please do not hesitate to send these to me by email. Thank you for your assistance, and I look forward to your response.

Yours Sincerely,

Response

Please find the answers to your request in the completed HTA_FOI_Template.xls
