Dear [REDACTED]

Freedom of Information request

Thank you for your request for information under the Freedom of Information Act (FOIA), which was received by the Human Tissue Authority (HTA) on 18 February 2015. Your email outlined the following request:

“Under the terms of the Freedom of Information Act, please could you provide me with the following information about your current contracts with third party suppliers.

1. If another organisation routinely manages procurement and contracts on behalf of your organisation, please could you provide me with its name.
2. If your organisation routinely manages procurement and contracts on behalf of another organisation(s), please could you provide me with their names.
3. If your organisation handles its own procurement and contracts, please could you provide me with a list of all of your current contracts for ICT services, with the following information for each one:
 - Contract name/short description
 - Supplier
 - Start date (or last renewal date, if applicable)
 - End date
 - Estimated contract value (ie for services provided between start and end date)
 - If this contract was called off a central framework agreement (e.g. from the Crown Commercial Service, G-Cloud, etc) please say which one.”

Response

The HTA is an Arm's Length Body of the Department of Health, which means we are tied into the procurement frameworks managed by the Cabinet Office Arm's Length Body, the Crown Civil Service (formerly the Government Procurement Service, GPS).

In response to your requests, we provide the following information:

1. No other organisation manages procurement or contracts on the HTA's behalf. The HTA is mandated to use contracts procured by central Government departments in particular the Cabinet Office – Crown Commercial Services which is also an Arms length body (ALB).
2. The HTA does not manage contracts or procurement on behalf of other bodies or organisations.
3. A list of current ICT contracts that the HTA has procured is in the table below. The list includes those that have no value but are still considered ICT.

Further information

If you remain dissatisfied with the handling of your request or complaint, you have the right to appeal directly to the Information Commissioner for a decision, at the address below:
