Dear ██████████

Freedom of Information request

Thank you for your request for information under the Freedom of Information Act (FOIA), which was received by the Human Tissue Authority (HTA) on 19 June 2015. Your email outlined the following request:

“Under the FOI Act can you provide me with complete up to date directorate organisational chart for the CEOs and Communications/Marketing directorates showing all positions including junior positions by title.”

Response

The HTA’s executive organisational chart, which displays all job roles within the HTA executive, is published on our website at the following link:

<https://www.hta.gov.uk/sites/default/files/HTA%20Executive%20Organisational%20Chart.pdf>

I have reviewed the chart today to ensure it is fully up to date. The information you have requested is therefore exempt from disclosure under this request by virtue of section 21 of the FOIA, as it is easily accessible elsewhere. This is an absolute exemption under the FOIA and it does not need to be balanced against the public interest in disclosure.

Further information

If you are unhappy with the way the HTA has handled your request for information in this case, you may in the first instance ask us for an internal review by writing to us at the above postal or email address.

If you remain dissatisfied with the handling of your request or complaint, you have the right to appeal directly to the Information Commissioner for a decision, at the address below. There is no charge for making an appeal.
