Dear [REDACTED]

Freedom of Information request

Thank you for your request for information under the Freedom of Information Act (FOIA), which was received by the Human Tissue Authority (HTA) on 5 May 2017. Your email outlined the following request:

“Enquiry details: I have been trying to find the list of establishments and designated individual for Post mortem/Mortuary, specifically for 2013 to 2014, but I could not find one.

Please send me the list as specified above, AS SOON AS POSSIBLE.

You will recall that on the 11 May 2017, I emailed you to clarify the parameters of your enquiry. On 11 May 2017 you reiterated your request for a list of establishments and designated individuals for the:

“Post mortem/Mortuary” sector for 2013 to 2014, in the United kingdom.

Response

Below, please see a list of Designated Individuals (DI) and establishments in the post mortem sector licensed by the HTA on 31 March 2014. We have prepared the list at that date because there may have been changes to licensing, or a change of DI, during the year. This list includes all post mortem sector licenses; not all of those licensed establishments will have a mortuary. I trust that this response is sufficient for your purposes but please do not hesitate to contact me if I can be of any further assistance regarding this matter.
